#### Florida Disaster Fund Additional Funding Request Form

**The State of Florida remains grateful for your demonstrated commitment to assist those impacted by Hurricane Ian. If your organization requires additional expedited funding from the Florida Disaster Fund to sustain ongoing recovery efforts and projects, please provide the following information:**

What is the total amount of funding you have already received from the Florida Disaster Fund for Hurricane Ian?

3000000

How much additional funding are you requesting from the Florida Disaster Fund for Hurricane Ian recovery efforts? (Must not exceed \$500,000)

500000

How have you deployed these funds thus far? What successes or challenges have you seen?

We've funded 60 forgivable loans (50K each) to Hurricane impacted businesses in Lee county.

It's been a bit more time consuming than we thought to get all the paperwork completed. We hope to have drawn the rest of the funds and completed all the funding by the end of March.
